UofL Hospital is dedicated to improving the community’s health and well-being of people through research, education, clinical care, and community service. Our triennial Community Health Needs Assessment uses a framework from the Robert Wood Johnson Foundation’s County Health Rankings to identify and prioritize health needs.

July 1, 2016 – June 30, 2019
Community Health Needs Assessment

5 Significant Health Needs
in Jefferson County to be addressed by UofL Hospital
